One-week Holiday for Four (plus travel cot) commencing Friday 23 March in Award winning Beeson Farm, Devon, a treasure waiting to be discovered as featured in the Guardian, the Observer and the Express

Award winning, 4 Star, cosy and idyllic Victorian self catering cottage in Devon situated in a peaceful, sheltered valley in an Area of Outstanding Natural Beauty between Dartmouth and Salcombe, and less than a mile from the Coast path and Beesands village with a lovely unspoilt beach and newly refurbished gastro pub serving brilliant, locally sourced food. You won't be disappointed with this charming holiday cottage!

Here is a traveller's review - Wow! What can we say? We feel very fortunate to have found Beeson Farm. No wonder they receive such high ratings from both travellers and professionals! The location is simply stunning. We felt like we had gone abroad and entered another world - or as our daughter call it 'Heaven' - Heaven Devon indeed! The farm is tranquil, with a safe courtyard where our children happily and quickly made friends with other children who were also staying in the farm. Whilst we were all content to just stay in the eco-friendly farm with the great facilities, there were so many wonderful places nearby for us to explore - clean and quiet beaches, fantastic zoo, Riverford organics farm among many. There were also many lovely places to eat nearby. All these recommendations were made by the friendliest owners Mr. & Mrs. Cross. They made us feel so welcome and provided us with all the information that we would need - which we were grateful for as we did not have time before hand to prepare for the trip. The accommodation was even prettier and more comfortable than the photos suggested, and came with all the child-friendly gadgets that were most gratefully discovered. All in all, a top holiday. Thank you for the most amazing memories made for our family with young children! We can't wait to go again and again, and again, and again!

How do we know that that this review is trustworthy? We wrote it! We loved it so much that we wanted to share it with the whole wide world!

Signed Emmerdale script

Are you an Emmerdale fan? Or maybe you know someone who is – how about this for a surprise Christmas present? Bring on the family Christmas play!

This Christmas special (Episode 5799 / 5800) was aired in 2010 and is signed by Lisa and Sam Dingle, Nikhil, Laurel, Debbi and Lizzie amongst other well loved characters.

Here is the synopsis of the script << It's the day of Carl and Chas's wedding, and while there's a happy atmosphere at Brook Cottage with Carl, Chas is dreading the day ahead at Mill Cottage. Finally in her wedding dress and looking beautiful, Chas contemplates how she feels about being a bride. She's surprised when Paddy shows up with a gift, apologising for not being able to make it and claiming that she and Carl are meant to be together.

At the church, Charity is dumbfounded when Chas starts to walk down the aisle with Zak. Will she go ahead with her plan and expose the affair, humiliating Carl at the altar? Or will she make her way down the aisle and marry the man she clearly still loves?

Meanwhile, Aaron and Hazel are both excited as they finally take Jackson home. In Dale Head, Jackson is both sobered and impressed to see his new living arrangements. Later, Aaron hopes he's had a good day and Jackson tells him that he genuinely couldn't think of anywhere he'd rather be.

Elsewhere, Katie's thrown when Henshall comes all the way to the village on Christmas Day to give her a present; Pollard is on edge as he awaits the arrival of dinner guest Elizabeth; and Rhona looks to the future with Paddy and Marlon's support.>>
